Before using the Prepaid Card you need to make sure there are enough funds loaded on it. You will not be able and should not attempt to use your Prepaid Card after its expiry date.

Your Prepaid Card is not a credit card and can only be connected to your bank account for the purposes of loading the card. You will not earn any interest on any funds loaded on your Prepaid Card.

2. Applying for and activating your Prepaid Card

You must sign the signature strip on the back of the Prepaid Card as soon as it is received. Please refer to our Website for all Prepaid Card loading options, or refer to the “Loading your Prepaid Card” section below.

3. Loading your Prepaid Card

Funds can only be loaded once on to your Prepaid Card at any PayPoint outlet. The retailer will advise you on payment methods. The minimum load on to your PrePaid Card is £20. Using your Prepaid Card

Detailed instructions on how to use your Prepaid Card are found on the Website. You will need to follow these instructions when using your Prepaid Card.

We will deduct the value of your transactions from the balance on your Prepaid Card. We will also deduct any applicable fees as soon as they become payable by you, see Section 12 below for details of our fees.

The Prepaid Card belongs to us. We may ask you to stop using your Prepaid Card and return it to us or destroy it. We may at anytime suspend, restrict or cancel your Prepaid Card or refuse to issue or replace a Prepaid Card for reasons relating to the following:

- we are concerned about security of your Prepaid Card we have issued to you;

iBux MasterCard® Prepaid Card Terms and Conditions

- we suspect your Prepaid Card is being used in an unauthorised or fraudulent manner;
- or we need to do so to comply with the law.

If we do this, we will tell you as soon as we can or are permitted to do so after we have taken these steps.

Like other payment cards, we cannot guarantee a retailer will accept your Prepaid Card. We may also refuse to pay a transaction:

- if we are concerned about security of your Prepaid Card or we suspect your Prepaid Card is being used in an unauthorised or fraudulent manner;
- If sufficient funds are not loaded on your Prepaid Card at the time of a transaction to cover the amount of the transaction and any applicable fees;
- if there is an outstanding Shortfall on the Prepaid Card in accordance with condition 12;
- if we have reasonable grounds to believe that you are acting in breach of this agreement;
- if we believe that a transaction is potentially suspicious or illegal (for example, if we believe that a transaction is being made fraudulently); or
- because of errors, failures (whether mechanical or otherwise) or refusals by merchants, payment processors or payment schemes processing transactions.

If we refuse to authorise a transaction, we will, if practicable, tell you why immediately unless it would be unlawful for us to do so. You may correct any information we hold and which may have caused us to refuse a transaction by contacting us via the website or via customercare@ibux.co.uk

4. Authorising Transactions

Authorisation will be requested for all transactions at the time of each transaction. Subject to the features of the particular Prepaid Card, the authorisation of a transaction can include authorising any single transaction, a series or recurring transactions (including transactions for an indefinite period) or pre-authorising future transactions of a certain or uncertain amount

A Prepaid Card transaction will be regarded as authorised by you where you;

- authorise the transaction at the point of sale by following the instructions provided by the merchant or retailer to authorise the transaction, which may include:

- insert a Prepaid Card and enter your PIN to request a cash withdrawal at an ATM;
- make a request for a cash advance at any bank counter;

Authorisation for a transaction may not be withdrawn (or revoked) by you after the time it is received. However, the following transactions may be withdrawn if you give notice to the supplier (providing a copy of the notice to us):

- any transaction which is agreed to take place on a date later than the date it was authorised as long as notice was provided no later than the close of business on the business day before it was due to take place;

iBux MasterCard® Prepaid Card Terms and Conditions

If we do revoke a transaction on your behalf we will charge a revocation fee as specified in Section 12.

We will pay the funds required by the retailer or merchant to cover the transactions authorised by you within 3 days of us receiving their request. A transaction (the payment order) will be received as follows:

- for purchases, at the time we receive the transaction instruction from the merchant acquirer;
- for other transactions which are communicated directly to us, at the time you ask us to complete the transaction.
- If, in relation to;
 - a) purchases, we receive the transaction instruction from the merchant acquirer; or
 - b) other transactions communicated directly to us, you ask us to complete the transaction after 4.00 p.m, the transaction instruction or request will be deemed to have been received by us on the following business day.

6. Cancellation and expiry of your Prepaid Card

This agreement will terminate 12 months from account opening date. You have a legal right to cancel your Prepaid Card up to 14 days after you receive the Prepaid Card without being charged the Redemption Fee – this 14 day period is known as the “Cooling-Off Period”. Under these terms and conditions, you also have the right to cancel your Prepaid Card at any time after the 14 day Cooling-Off Period without notice and any funds remaining on your Prepaid Card will be returned to you within 5 days subject to satisfactory checks being completed.

We may also cancel your agreement for any reason by giving you at least 2 month's notice:

- if this agreement or your card expires on a set date and we have not agreed to renew this Agreement;
- if you break an important part of this agreement, or repeatedly break the agreement and fail to resolve the matter in a timely manner;
- if you act in a manner that is threatening or abusive to our staff, or any of our representatives;
- if you fail to pay fees or charges that you have incurred or fail to put right any shortfall;
- in the event of your death
- There is a 12 month consecutive period of card inactivity

We may also cancel this agreement or suspend your card or account immediately if we believe your Prepaid Card is deliberately being used by you to commit fraud or for other illegal purposes. If we do this we will tell you as soon as we are permitted to do so.

If we cancel your Prepaid Card you must tell us what you want us to do with any unused funds within 3 months of the date we tell you your Prepaid Card is cancelled. We can return the funds to the loading source, to a bank account in the same name as the prepaid card account or we can issue a cheque for your refund. Please note we will need to verify your identity in order to satisfy Anti Money Laundering requirements

If your Prepaid Card is cancelled, we will immediately block your Prepaid Card so it cannot be used.

You will not be entitled to a refund of money you have already spent on transactions authorised, or pending or any fees for use of the Prepaid Card before the Prepaid Card is cancelled or expires. You can cancel your Prepaid Card by sending an email to us using the “contact us” function on the Website, and confirming that you have destroyed your Prepaid Card.

iBux MasterCard® Prepaid Card Terms and Conditions

If you cancel your Prepaid Card, once all transactions and fees have been deducted, we will arrange for any unused funds to be refunded to you, see section 10 below for further information. A Redemption Fee may be charged (see Fees section below) unless you have arranged to transfer any unused funds to another Prepaid Card managed by us, or you cancel your Prepaid Card within 14 days of receiving it.

7. Keeping your Prepaid Card secure

You should treat your Prepaid Card like cash. If it is lost or stolen, you may lose some or all of your money on your Prepaid Card, in the same way as if you lost cash in your wallet or purse. As a result, you must keep your Prepaid Card safe and not let anyone else use it.

We recommend that you check the balance on your Prepaid Card regularly online at the Website. We will provide you with your Prepaid Card balance and a statement of recent transactions either by electronic means or on our secure webpage at any time. Your statement will show:

- information relating to each Prepaid Card transaction which will enable it to be identified;
- the amount of the Prepaid Card transaction shown in the currency in which the transaction was paid or debited to the account;
- the amount of charges for the transaction
- the date the transaction is authorised or posted on to the account.
- A charge will be made for supplying additional or duplicate copies of statements on paper as specified in Section 12.

8. Lost and stolen Prepaid Card and unauthorised or incorrectly executed payments

You must tell us without undue delay by calling us on our 24 hour lost and stolen card helpline **0845 241 4278** or **+44 20 7101 6599 from overseas** if you know or suspect that a Prepaid Card is lost or stolen or that the password is known to an unauthorised person or if you think a transaction has not been authorised by you..

If you think a transaction has not been authorised by you or has been incorrectly executed you must contact Customer Care immediately. Depending on the circumstances we may require you to complete a declaration form and forward this to us without delay.

We will refund any unauthorised or incorrectly executed transaction immediately unless we have any reason to believe that the incident may have been caused by a breach of this agreement, through gross negligence or we have reasonable grounds to suspect fraud.

If our investigations show that any disputed transaction was authorised by you, or you have acted fraudulently or with gross negligence (for example by failing to keep your Prepaid Card secure), we may reverse any refund made and you may be liable for any loss we suffer because of the use of the Prepaid Card. We may also charge you the Investigation Fee specified in Section 12.

If you request redemption of all funds on your Prepaid Card, please confirm in writing that you have destroyed your Prepaid Card by cutting it up.

We may send a cheque to your last notified address, arrange an electronic transfer to a bank account in your name. However, to enable us to comply with our legal obligations, we may ask you to provide us with further evidence of your identity or additional evidence before we can process your redemption request.

Refunding Transactions

You may be entitled to claim a refund in relation to transactions where:

- the transactions was not authorised under this agreement;
- we are responsible for a transaction which was incorrectly executed notified us in accordance with section 8 above;
- a pre-authorized transaction did not specify the exact amount at the time of its authorisation and the amount charged by a supplier is more than you could reasonably have expected taking into account normal spending patterns on the Prepaid Card or the circumstances of the transaction.
- A claim for a refund in the circumstances set out above will not be accepted if the amount of the transaction was made available to you at least 4 weeks before the transaction date or it is made more than 8 weeks after being debited to your account.

11. Changes to these Terms

We may change these terms at any time by placing a new version on the Website at least 2 months before the change is due to take effect. The current version of the Prepaid Card terms and conditions will always be available on the Website. The change will automatically take effect and you will be taken to have accepted the notified change unless you tell us that you do not agree to the change. In that event, we will treat that notice as notification that you wish immediately to terminate. In such circumstances we will refund any balance on the card in accordance with section 10 above and you will not be charged a Redemption Fee.

We may make immediate changes to the exchange rate used to convert transactions undertaken in a currency other than the currency of your card. Unlike other payment cards, we do not use MasterCard's exchange rates when you use your card outside of the denominated currency zone. Instead we set a fixed "day rate" which we publish on our website, via automated phone line, and is available over the phone via customer care. The rate which we apply to spend outside of the card's currency is fixed at the start of the day and we guarantee that rate, regardless of market fluctuations – you always know exactly what you will be charged in advance. Exchange rates change on a daily basis and you can check the rates on our website at www.ibux.co.uk
